

2021 Ontario Cyclo-cross Upgrade Points

CX UPGRADE RULES

Points are awarded at Ontario Cup and Regional Sanctioned Events running below ability based categories. Points are awarded per category and the rider count of a category is based on the total number of starters (DNS riders will not count in total). Points are carried over for one (1) season. Any points earned by a rider in 2019 (unless they have already upgraded) will be what the rider starts with for this CX season. You will note this in the **2021 Starting Points Column**.

NEW FOR 2021!!!! With no CX events in 2020 due to COVID-19, points earned in 2019 will not automatically apply for upgrading in 2021.

Points from 2019 can be used to optionally upgrade but will not be used to force a mandatory upgrade in 2021. Those surpassing the mandatory threshold with points earned only from 2021 will be required to upgrade this season.

Points earned in 2021 will be carried over to the start of the 2022 season (Sept, 2022). Any points earned in 2019 will be lost at that time.

Riders start with a fresh slate of points when they upgrade.

***UPGRADE EXEMPTIONS:** Master Male riders who have a racing age of 55 years or older in CX (Master C or D), will be exempt from a mandatory upgrade to M1. Riders in this age bracket who achieve enough points may still choose to upgrade however.*
The OCA Upgrade/Downgrade Committee reserves the right to review category numbers post-season and should re-allocation of members be required, can implement a system prior to the CX season to achieve this.
