

ONTARIO RETURN TO CYCLING UPDATE V.11 – March 24, 2021

The Provincial Government removed the province-wide lockdown and has returned to the regional [colour-coded framework](#). All members and affiliated clubs and teams are reminded to be aware of the restrictions in place within their region and ensure adherence to all protocols, including those found within the [OCA Progressive Return to Cycling Guidelines](#).

Despite what the maximum public gathering limits are in a given region, clubs and teams hosting group-based activities should determine what is manageable to ensure both member safety and regulation compliance. This is especially important when factoring in physical distancing requirements and the general safety of organized activities.
