To our valued Member,

On behalf of the Board of Directors, the Chamber would like to thank you for your commitment of continued support through membership. Our partnership includes over 700 local businesses and together we will aim for stability and growth as we continue to navigate the pandemic.

Your renewal anniversary is a great time to ensure you are accessing all our resources that are pertinent to your business. The Chamber is focused on tailoring our objectives to provide relevant support, advocacy, and opportunities. For most members currently, this includes:

- staying up to date on evolving and changing pandemic protocols and health guidelines
- being updated on financial and operational resources available and how to access
- providing a forum to connect with municipal, provincial, and federal officials
- educational series involving current issues and ideas for regrowth and adaptation
- opportunities to connect and network virtually, with the intent to resume in-person events asap

Remember, we are your Chamber! We want to hear from you and engage your interests. The collective efforts of Chamber members have brought about needed improvements in our town's economy, business taxation, transport, consumer relations, and many other areas of community life. Few of these advances could have been accomplished on an individual basis.

For more information on the resources available and how to make the most of your membership, please contact our Membership Representative Sam Kassam-Macfie at 905-878-0581 x 102 or via email at sales@miltonchamber.ca. Also, be sure to visit our website www.miltonchamber.ca to stay up to date on current Chamber initiatives and upcoming events.

We hope that you enjoy the electronic decal that can be utilized in your media and communication online. If you would like to receive the traditional window decal and certificate, please contact Krista Lancaster at the office and she would be happy to forward that along so you can display it with pride!

We appreciate having the opportunity to have partnered with you and look forward to serving your business in the year ahead.

Sincerely,

Scott McCammon, ACE, CCE
