

EXPERIENCE THE GREAT OUTDOORS

SAILING & CRUISING

Learn to sail a basic keelboat during summer months and become a qualified skipper to handle your own boat or rent club boats. Or, if you prefer to sit back and relax, cruise Lake Nipissing whilst taking in the North Bay skyline and our spectacular sunsets.

PADDLE - SUP, CANOE AND KAYAK

North Bay sits at the crossroads of Ontario's finest paddling destinations with Temagami to the north, the French River and Georgian Bay to the west, the mighty Ottawa River to the east, and Algonquin Park to the south; but North Bay itself is also home to some incredible paddleboarding experiences. Set out from Shabogescic Beach or any of the other 40+ public beach access points for a stunning sunset paddle on Lake Nipissing or explore the deep clear waters and wild pine shores of Trout Lake.

TRAILS & CYCLING

North Bay has a vast array of trails perfect for hiking or cycling with a lot of them open to the public year-round. Whether you are looking for road, gravel or rocks we have trails to suit everyone's needs and skill level.

HELICOPTER FLIGHTS

Take in a birds eye view of North Bay with a helicopter tour available year round. Flights range anywhere from 12 minutes to 2.5 hours and can accommodate groups of various sizes. Surrounded by provincial parks and an abundance of wildlife, the full city tour takes you over Lake Nipissing, Callander Bay, Duchesnay Water Falls and Trout Lake.

WATERFRONT ACTIVITIES

North Bay's waterfront offers spectacular lake views, walking paths, parks, splash pads and multiuse courts, picnic areas and perfect green space to enjoy yoga, frisbee or catch a musical performance on a summer night.

Enjoy an afternoon of old-fashioned fun and experience the magic of the lovingly restored Heritage Railway and Carousel. Then wrap up the day with a leisurely stroll along the boardwalk or a lakeside dinner and ice cream on the pier.

FAT BIKING

Biking is a wonderful way to experience the natural beauty of North Bay in the winter! Fat bikes allow adventurers to experience the snowy landscapes in an entirely new way. A favourite spot to take in some winter scenery is on the trails of the Laurentian Escarpment Conservation Area.

FISHING

Fishing lures people in and keeps them coming back for more all year round. It's the perfect activity to enjoy the silent solitude or to gather with friends. Whether its out on the boat during the summer months or drilling a hole through the frozen lake in the winter, anglers flock to this top destination to await the jigging pull from either a Walleye, Bass, Perch, Northern Pike and Burbot snagged on the end of it.

SNOWMOBILING

The North Bay region is perfectly situated in the middle of 3,400 kilometres of groomed ecstasy, and it is the ideal starting point for hours of fun. Well-marked trails lead to a variety of exciting opportunities and adventure. In this 'area', snow is always plentiful, and the winter scenery is definitely photo worthy.

CROSS-COUNTRY

Cross-country skiers can casually sample the landscapes and unspoiled wilderness trails or take on the challenge of racing in the scenic surroundings of the hundreds of kilometres of groomed trails. There are several cross-country trail options in the area, including those at the North Bay Nordic Ski Club and Wasi Cross Country Ski Club.

SKIING & SNOWBOARDING

Located just minutes from downtown, Laurentian Ski Hill offers an exciting family friendly atmosphere for outdoor enthusiasts who can enjoy an affordable day on the slopes. This 300-foot vertical features: six runs with a modern quad chairlift, J-bar and T-bar lifts, a main and lower lodge for rentals, snacks and comfort food menu.
