Ontario Cup Call-Up Protocol

Call-ups for OCups are designed to encourage participation in the OCup series by Ontario riders. OCup races use ability-based categories:

- 1) Call-ups will be done by OCup points only for the first 2 rows.
- 2) Riders tied with the same number of OCup points will be randomized.
- 3) After the first 2 rows are filled, the rest of the riders will fill the remaining places on a first-come, first-served basis.
- 4) If the first 2 rows are not filled, other riders can take open positions there.
- 5) When two or more categories are combined in the same start wave (that is, start at the same time offset), those riders will be considered "in the same race". Call-ups will cycle between each category to fill the first 2 rows (1st, 1st, 2nd, 2nd, 2nd, 3rd, 3rd, 3rd, 3rd, etc.)

Organizers may wish to publicly acknowledge National, World Champions or other celebrity riders in their race. These acknowledgments will be done before the call-ups. Participants will then be called up following the procedure above only. There is no penalty if a rider saves a place and allows another rider to move up to take it (riders may choose any position after their call-up).

Youth Categories:

1. Youth categories will be called up based on OCup points separately by U17 Boys, U17 Girls, U15 Boys, U15 Girls, U13 Boys, U13 Girls (ties broken randomly). Combined gender race starts will be called up in the order of 1st Boy, 1st Girl, 2nd Boy, 2nd Girl, 3rd Boy, 3rd Girl and so forth unless it is agreed upon otherwise between all riders and the commissaires in advance of the start.
2. Call-ups for each category will be for the first 2 rows only. When the first 2 rows are filled, the rest of the riders will fill the positions on a first-come, first-served basis. If the first 2 rows are not filled, other riders in the same category can take open positions there.
3. Each category shall begin in a new row. Half-wheeling between rows is not permitted.

Technical Assistance Regulations

- 1) Riders should be prepared to work on their bicycle outside of the pit area. They can receive assistance in the pit area only.
- 2) Spare bicycles and wheels are allowed in the pit area only.
- 3) Riders are required to supply their own parts and equipment in the technical assistance zone. Riders may not take other participants equipment without their permission.
- 4) Riders may carry tools and spare parts, provided that these do not involve any danger to the rider themselves or other competitors.
- 5) No rider may turn back on the course to reach the pit area.
- 6) Only those persons responsible for assisting riders may be in the pit area. Spectators, children, and pets are not permitted in the pit area. Spectators may watch from outside of the course.

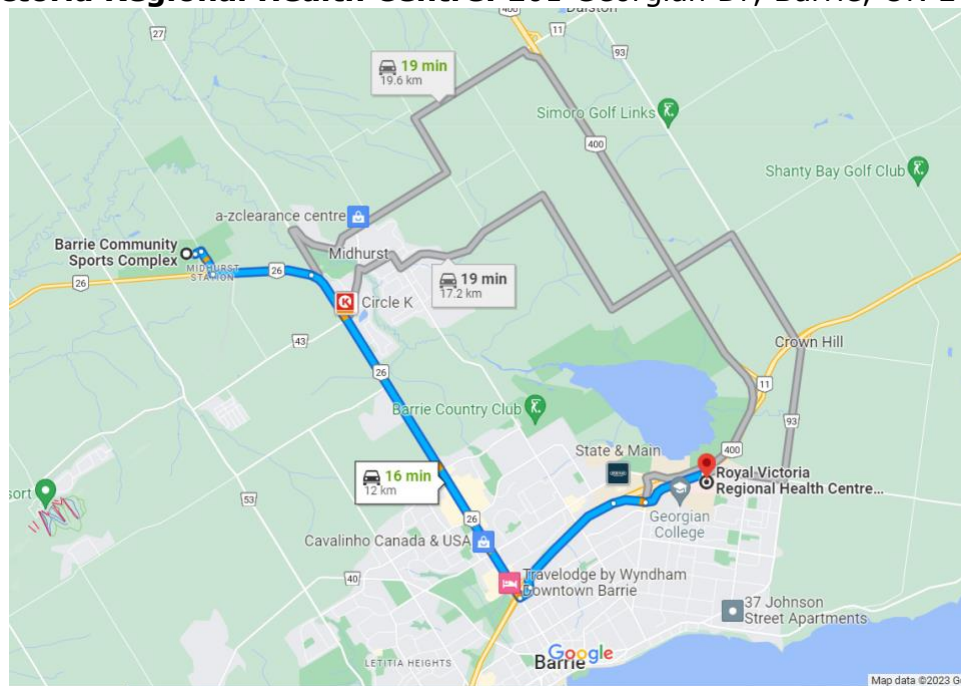

Bad Weather and Course Changes

- Changes to the course may be required in case of severe weather or changing atmospheric conditions. Changes will be announced at the start of all races. In all conditions riders should ensure they are riding within their limits and dismount if the terrain exceeds their technical comfort level.
- In the case of severe weather requiring a change of schedule, an email will be sent out to all participants, and information will be posted on Ontario Cycling's social media accounts.

MONTU OCup Segment Challenge

Ontario Cycling is partnering with MONTU Bikes to elevate your Ontario Cup (OCup) race day experience by setting up the MONTU OCup Segment Challenge on Strava. The challenge will be a virtual series within the Ontario Cycling OCup series in each discipline.

What to expect on race day?

Have your Strava account set up and join the [Ontario Cycling Club](#) group. Bring your GPS device on race day to record your ride. During the race the top 10 fastest lap times for both Women and Men regardless of category will be recorded and earn points towards the grand prize special edition jersey that will be awarded at CX Provincial Championships in Peterborough! Upload your ride to Strava by the Tuesday after the event to be automatically entered into the MONTU OCup Segment Challenge. Only completed and recorded segments on race day will be counted!

How to upload your activity to Strava

Use the Strava app to "Record" and "Save" your ride, which automatically uploads your activity. Check out the [Getting Started Guide](#). If you already have a dedicated GPS device or use a different fitness platform, you can sync your activities to your Strava account. Find out what devices and services [Strava supports here](#).

The virtual series

Take part in the full OCup series and compete for a chance to win all segments. The fastest ten male and female riders in this designated MONTU OCup Segment Challenge section of each race will collect points that will accumulate throughout the OCup Series races. Each discipline's highest-ranked male and female will receive a MONTU OCup Segment Challenge winner jersey and bragging rights for the year.

NOTE: Unlike race results, the MONTU OCup Segment Challenge is based on overall

Male & Female results and not separated by age categories.

Rules:
