Introduction of the Electronic Pistol

Ontario Cycling will be implementing a modification to the race start procedures by replacing the traditional blank-firing pistol with a fully electronic starting system. OC has adopted the EP2000 Electronic Starting Pistol, a state-of-the-art device designed to improve safety, consistency, and efficiency at all sanctioned events. The EP2000 system seamlessly replicates the function of a conventional pistol start and will ensure a safer environment for all athletes, commissaires, and spectators.

Updated Track Start Procedure

With the recent installations of plexiglass along the track rail, it may be challenging for athletes to safely position themselves or hold onto the rail for standing starts. After consultation with our Track Provincial Coach, our Track Lead Commissaire and counterparts in the UK who have faced similar challenges, Ontario Cycling will be implementing a revised start procedure for all events requiring a rail start. Athletes will now begin their race holding from the safety zone railing on the backstraight, completing a 1.5 lap rolling neutral start instead of the traditional single neutral lap. This adjustment ensures both athlete safety and consistency across events.

Youth Track Certification

- All youth riders must be certified on the Milton Velodrome Track prior to racing. Once you have been certified on the track once you don't have to be certified again.
- All certifications are done through NCIM through one of the following methods:
 - Riders who have no track riding experience will need to attend a Youth Track Certification. Please contact NCIM for more information on when the next Track Certification is taking place.
 - Riders who have track riding experience elsewhere may get certified 1 hour prior to competition beginning. Please contact NCIM to arrange the time for the certification
 - Riders who are track certified in Bromont will need to provide proof that they have been track certified. Please send all certificates to NCIM

For any additional questions regarding track certification please contact NCIM at the following address admin@ncirevolution.com

Awards

- Medals will be awarded to the top three (3) finishers in each category for each event.

- Podium protocol shall be enforced, and fines issued to those who fail to comply. Riders must wear the competition uniform for medal presentations.
- No hats or eyewear are permitted.
- Medal presentations will take place according to the event schedule

Event Safety

- First aid will be provided by Odyssey Medical and will be located in the infield area.
