

2026/2027 Track OCup Series Information Bulletin

V1.

October 5th, 2026

General Information

Get ready for another thrilling season of track racing as Ontario Cycling (OC) proudly launches the 2026-2027 Track Ontario Cup (OCup) Series. Beginning December 5/6th, 2026. Being hosted by National Mattamy Cycling Centre (NCIM) in conjunction with Cycling Canada's C2 event. The province's premier track cycling series will bring athletes from across Ontario together for three high-energy competitions at the renowned Mattamy National Cycling Centre in Milton. Designed to deliver world-class racing opportunities and support athlete development, the OCup Series serves as a critical steppingstone on the road to the 2027 Ontario Track Provincial Championships Milton.

Updated Track Safety Features

In 2025 the track installed new plexiglass along the track rail. As a test pilot, OC with support from Track Provincial Coach, our Track Lead Commissaire implemented a revised start procedure for all events requiring a rail start. Athletes began their race holding from the safety zone railing on the backstraight, completing a **1.5-lap rolling neutral start** instead of the traditional single neutral lap.

Based on feedback from both riders and officials we will continue with their race holding from the safety zone railing on the backstraight, completing a **1.5-lap rolling neutral start** instead of the traditional single neutral lap. All 15+ categories will return to using the rail start.
